Marian and family,

I am so very sorry. I will never forget your parents and how welcome I was in your home. The time I spent with your family are some of my most treasured childhood memories. Your mother was aptly named - she was an angel!!!! I grieve with you as my mother died recently also (Aug. 20th), so I understand how you and your family are feeling.

Love,  
Nancy

Dear Mark and family,  
We were so sorry to learn of the passing of your mother. Having suddenly lost an elderly, but otherwise healthy parent a couple of years ago, I fully understand the pain you are feeling at this time - no matter how much you might have planned for or anticipated this sad day.

A few thoughts that helped me through this very difficult period that might you as well. Take solace in knowing your mother had a rich, full and wonderful life - most likely with few (if any) regrets. Also, rejoice in having had her in your life for so long. Many families tragically lose loved ones much too soon.

Be sure to take especially good care of your father during this very emotional period. He has lost more than anyone.

Our thoughts and prayers are with all of you.

I am sorry that Eugene and I are unable to come to Mass. to attend the services. Aunt Angie was absolutely my favorite aunt. My fondest memories of childhood are of the family trips to Mass. and Cape Cod. The beach houses we shared and the fun times at the drug store will always stay with me as wonderful times. If she was a wonderful aunt I'm sure she was an even greater mother and wife. My heart goes out to all of you in your time of sorrow. She will be missed by many.

Aunt Angela holds a very special place in my heart. Always patient, kind and giving...she made all of the nieces and nephews feel as loved as her own children. A trip to Franklin was something I always looked forward to....a day at the beach with laundry baskets lovingly packed, a trip to the mall with some cash in my pocket, "Jolly Chollies", a gift and a sundae from the drug store, faithful gifts for birthdays and Christmas, words and deeds of encouragement and love...and a whole lot more..... I will always treasure my memories of my time with her and Uncle Ray and my cousins as a gift from God. She left a legacy which I can only emulate. God has indeed taken back to His heaven a faithful servant and saint who truly blessed us all....

My Aunt Angela was the most generous person I have ever known.

Every time my family went to Franklin she would always have my sister and I come to the drugstore and pick out whatever we wanted. Then we would make our own ice cream sundaes at the soda fountain. She dearly loved all the children in her life. She will be greatly missed.

My sincere condolences go out to my uncle Ray and my cousins and their families.

With Much Love,

Susan Naber
